INTERNATIONAL **HEALTH & WELLNESS** TOURISM CONGRESS

February 9th & 10th, 2026

THE INTERNATIONAL HEALTH & WELLNESS TOURISM CONGRESS

is an exclusive platform that brings together global leaders in healthcare, wellness, and medical travel with pre-qualified decision-makers in an environment designed for collaboration and results.

Hosted in the Philippines, this prestigious event highlights the country's growing prominence as a global health and wellness tourism hub, offering world-class medical expertise, cutting-edge treatments, and rejuvenating wellness retreats in a tropical paradise. With its renowned hospitality, advanced healthcare infrastructure, and cost-effective medical solutions, the Philippines presents a compelling destination for international patients seeking high-quality care and holistic well-being.

Our mission is clear:

- Facilitate impactful connections between **global healthcare providers and high-value international buyers.**
- Showcase the Philippines as a premier destination for **medical, wellness, and integrative healthcare solutions.**
- Drive innovation and collaboration in the **evolving landscape** of cross-border **healthcare and wellness tourism.**

As global demand for accessible, high-quality medical and wellness services continues to grow, the International Health & Wellness Tourism Congress serves as the ultimate hub for strategic partnerships, industry insights, and transformative solutions that will shape the future of health and wellness tourism worldwide.

“

To all the esteemed delegates from the medical travel and wellness sectors from here and around the world, in behalf of the Department of Tourism, my heartfelt gratitude for making the 2nd International Health and Wellness Tourism Congress a resounding success! Your presence was a testament to our shared dedication to promoting health and wellness tourism globally.

This Congress has underscored the Philippines' unique offerings as a health and wellness destination - combining world-class healthcare with our cherished values of care and compassion. The theme "Aruga" encapsulates the Filipino spirit of nurturing, which makes our country an ideal place for holistic wellness experiences.

We are most grateful for the support of President Ferdinand Marcos Jr., First Lady Louise Araneta Marcos, and our valued partners who have helped elevate our nation's position as a premiere destination for health and wellness tourism.

As we move forward, let us continue to work together to foster a healthier, more sustainable future for travelers worldwide.

Thank you once again, and may your time in the Philippines be filled with memorable experiences and new reasons to Love the Philippines!

”

BRIDGING CONTINENTS:

The Philippines as a Premier Medical & Wellness Tourism Hub

The Philippines is rapidly emerging as a premier destination for medical and wellness tourism, attracting patients from around the world, including the high-spending Gulf Cooperation Council (GCC) market. With its world-class healthcare facilities, internationally trained medical professionals, and cost-effective treatments, the country presents unparalleled opportunities for both patients and global healthcare providers.

The Philippines as a Premier Medical & Wellness Tourism Hub

High-Spending Medical Travelers: Outbound medical tourists from the GCC, North America, and Europe seek premium healthcare abroad, often spending between \$15,000 and \$50,000 per treatment, making them some of the most valuable patients in the global market.

Rising Demand for Specialized Treatments: The global medical tourism market is expected to grow from \$47 billion in 2024 to \$137.71 billion by 2032, with increasing demand for procedures such as oncology, cardiology, orthopedics, and regenerative medicine.

Strategic Opportunity for the Philippines: The Philippines' medical tourism sector reached \$1.35 billion in 2023 and is projected to expand at a CAGR of 13.50%, reaching \$4.63 billion by 2032, making it one of the fastest-growing healthcare destinations.

A Diverse and Expanding Market: While the GCC countries (Saudi Arabia, Kuwait, and the UAE) remain key outbound markets, the Philippines is also attracting patients from Asia-Pacific, North America, and Europe, reinforcing its position as a global medical hub.

Driving Global Healthcare Innovation: With the increasing movement of medical tourists worldwide, destinations like the Philippines, Thailand, and India are at the forefront of affordable, high-quality, and patient-centric healthcare solutions that cater to a growing international demand.

GLOBAL & GCC MEDICAL TOURISM:

Market Insights & Trends

-  The global medical tourism market was valued at **USD 24.14 billion in 2023** and is projected to reach **USD 137.71 billion by 2032**, with a **CAGR of 21.4%** during the forecast period.
-  The industry is expanding at an estimated rate of **15-25% annually**, reflecting the increasing number of patients seeking medical care across borders.
-  Patients from the Middle East and Africa (MEA) region contribute approximately **USD 30 billion annually to the global medical tourism market**, representing 30% of global spending.
-  The GCC outbound tourism market was valued at approximately **USD 75.89 billion in 2024** and is projected to reach **USD 127.55 billion by 2031**, exhibiting a compound annual growth rate (CAGR) of 7.8% during the forecast period.
-  On average, GCC patients spend between **\$15,000 to \$50,000 per treatment**, making them some of the highest-value medical tourists globally.
-  Patients from GCC countries, including Saudi Arabia, the United Arab Emirates (UAE), and Kuwait, collectively spend over **USD 2 billion annually** on medical treatments abroad.

WHAT MAKES THE IHWTC DIFFERENT?

100 Corporate Buyers with a combined budget of over **\$5 Billion Dollars.**

Qualified decision makers, from the Government and Private Sectors (Ministries of Health, Ministries of Defense, Ministries of Oil, Ministries of Interior, Insurance Companies, Specialized Medical Travel Agencies, Large Corporations, etc) will meet with you to learn about your services and how can you help them in terms of providing quality medical, health, and wellbeing tourism solutions.

THIS IS NOT
A CONFERENCE
NOR AN EXHIBITION.

This is a Sales-Driven Platform

The entire event is focused on pre-arranged meetings between Providers of Medical, Health, and Wellness Solutions and Qualified Buyers of your choice.

HOW DOES IT WORK?

- **We bring the buyers** for you.
- **We qualify them** for you.
- We send you, 10 days prior to the congress, a **complete list of delegate attendees**, including their company names, job titles, solutions of interest, readiness to buy, budget & number of nodes in organization.
- **You choose the corporate buyers** you want to have one-on-one meetings with during the congress.

We arrange **one-on-one meetings** for you with the buyers of your choice.

BUYERS QUALIFICATION

These corporate buyers have all been qualified based on the following:

- They are the **ultimate decision makers** in the organization when it comes to sending patients for treatment abroad.
- They are actively **looking for partners like you** & very keen on securing new medical, health, & wellness partners from the Filipino market.
- They have a **minimum spending budget of \$5 Million.**

WHO ARE THE BUYERS ATTENDING THE EVENT?

Global Leaders Seeking Partnership

Government Entities from the Middle East: Ministries of Health, Defense, and Tourism actively seeking medical and wellness solutions.

Insurance Providers: Companies exploring innovative partnerships for international patient care.

Corporate Buyers: Large organizations managing employee wellness programs and healthcare benefits.

Specialized Travel Agencies: Focused on medical and wellness tourism across international markets.

Doctors, Specialists, and Consultants involved in referrals.

The 3rd International Health & Wellness Tourism Congress

in the Philippines aims to connect the growing demand for medical services among global residents along with those from the Gulf Cooperation Council (GCC) countries with the Philippines' expanding healthcare offerings.

AN EXCLUSIVE - CLOSED DOOR CONGRESS

In collaboration with leading healthcare and wellness organizations, the International Health & Wellness Tourism Congress will host an exclusive gathering of over 100 of the most influential corporate buyers from across the globe. This elite group includes industry leaders and senior decision-makers who collectively manage multi-million dollar budgets dedicated to healthcare, wellness, and medical tourism. These buyers represent a powerful force in shaping the future of the industry, making impactful investments and forging strategic partnerships. The event provides a dynamic platform for these influential figures to connect with solution providers, exchange insights, and explore opportunities that drive innovation and growth in the global medical and wellness market.

LOOK: Tourism Secretary Christina Garcia Frasco on Wednesday (May 7) received Hadi Malaeb, Co-Founder and CEO of Agora Group at the Department of Tourism (DOT) Central Office in Makati City.

The meeting focused on preparations for the Philippines' hosting of the 3rd International Health and Wellness Tourism Congress (IHWTC), which aims to position the country as a leading destination for medical and wellness tourism in the Asia-Pacific, highlighting its rapid emergence as a top destination in the Asia-Pacific region. This initiative directly supports the DOT's thrust under the National Tourism Development Plan (NTDP) 2022–2028, which identifies health and wellness tourism as a high-potential sector for inclusive growth, improved healthcare accessibility, and sustainable tourism development.

The DOT and the Agora Group successfully hosted the 2nd IHWTC in October 2024, which gathered delegates from 38 countries and 40 nationalities to explore the potential of medical and wellness tourism in the Philippines.

Joining the Secretary were Undersecretaries Shahlimar Hofer Tamano and Verna Buensuceso, Assistant Secretary Czarina Zara-Loyola, Director Paulo Benito S. Tugbang, MD, and Head Executive Assistant Frances Villarino.

The Philippines is setting its sights on becoming a regional hub for health and wellness tourism, with the Department of Tourism (DOT) aiming to welcome up to one million medical tourists in the coming years. This ambitious target comes as the country seeks to capitalize on its competitive pricing, quality healthcare facilities, skilled healthcare workers, and renowned Filipino hospitality.

Tourism Secretary Christina Frasco, along with First Lady Liza Marcos, recently inaugurated the International Health and Wellness Tourism Congress in Taguig City. The two-day event attracted tourism buyers from around the world and highlighted the country's unique offerings in the health and wellness sector, including traditional Filipino healing techniques such as "hilot," combined with modern medical facilities.
