

8th Edition

HEALTHCARE DISRUPTERS CONGRESS

AI Powered Patient Outcomes

Tuesday, September 23rd, 2025 | Dubai, UAE

THE HEALTHCARE DISRUPTERS CONGRESS

Is the first in the MENA region to explore the opportunities and challenges of disruptive technologies in healthcare and real life impact on patients' outcome and experience.

Agora is hosting its **8th Edition of the Healthcare Disrupters Congress, in Dubai, UAE.**

The event focuses on the transformation needed to **improve the outcomes of Patients** and the **sustainability of our health system**, using AI and disruptive technologies.

“

On behalf of our entire GEHC team, we would like to congratulate you on a successful event & are glad that it went ahead so well!

In terms of our participation, we are extremely happy with how everything was run. Our presentation went ahead smoothly, and we had the right audience & executive meetings lined up. Finally, the support from your team was fantastic throughout the event. We really appreciate you going above & beyond in accommodating some of the requests we had along the way too.

”

8th Edition

HEALTHCARE DISRUPTERS CONGRESS

The **healthcare industry** is undergoing a period of rapid transformation, with new technologies offering tremendous potential **to improve patient care, enhance efficiency, and reduce costs.**

A wide-angle photograph of the Dubai skyline at dusk, featuring the Burj Khalifa as the central focal point. The sky is a mix of deep blues and oranges from the setting sun. Overlaid on the image are glowing blue lines and dots forming a network or data structure, symbolizing digital technology and innovation.

Saudi Arabia and **Dubai** are at the forefront of this transformation, actively **investing in digital health, AI,** and other innovative solutions to build world-class healthcare systems and, **to improve healthcare delivery and patient outcomes.**

FORECAST 2030

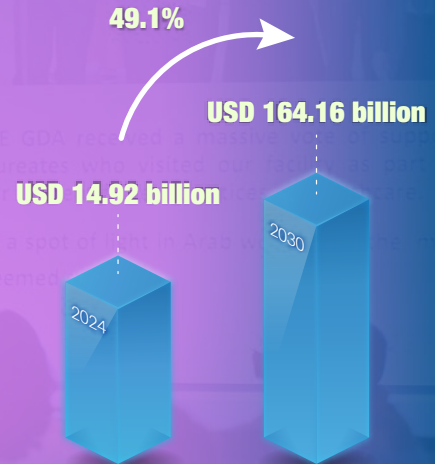

Research & Markets: The global Artificial Intelligence (AI) in healthcare market is projected to reach **USD 164.16 billion by 2030** from **USD 14.92 billion in 2024**, at a CAGR of 49.1% during the forecast period.

Careful Online: projects the AI in healthcare market to grow to an estimated **\$148.4 billion by 2029**, with a compound annual growth rate (CAGR) of 48.1%.

Philips: reports that **85% of healthcare leaders** worldwide are already investing or plan to **invest in generative AI** within the next three years, 1 with expectations of accelerated growth in 2025.

PwC forecasts that AI could contribute **US\$320 billion to Middle East economies by 2030**, with healthcare being a key sector for AI-driven advancements.

THE GLOBAL AI IN HEALTHCARE MARKET

WHY UAE?

The **UAE government is actively promoting the use of AI in healthcare** through initiatives like the National Artificial Intelligence Strategy 2031 and the establishment of AI centers of excellence in healthcare institutions.

A recent survey conducted by **CMC Hospital**, in September 2024 has revealed that the **UAE has emerged as the top destination for healthcare among GCC residents**, surpassing the US, Germany, the UK, and India.

According to the survey, 29 percent of GCC residents have selected the **UAE** as the country with the **strongest reputation for providing excellent healthcare**, showcasing the growing prominence of the UAE's medical infrastructure and expertise.

WHY UAE?

"WE WANT THE UAE TO BECOME THE WORLD'S MOST PREPARED COUNTRY FOR ARTIFICIAL INTELLIGENCE."

The Vision of the leader **"His Highness Sheikh Mohammed bin Rashid Al Maktoum, UAE Vice President and Prime Minister and Ruler of Dubai."**

The National AI Strategy 2031: The UAE sets a clear vision through its **AI Strategy**, to become the **world leader in AI by 2031** by integrating AI across various sectors.

UAE appointed the first ministry of AI in 2017. **The UAE nominated His Excellency Omar Sultan Al Olama as the Minister of State for Artificial Intelligence.**

WHAT MAKES THE HEALTHCARE DISRUPTERS CONGRESS DIFFERENT?

THIS IS NOT A
CONFERENCE
NOR AN EXHIBITION.

THIS IS A SALES PLATFORM.

The entire event is focused on pre-arranged meetings between **Providers of Healthcare Technology Solutions and Qualified Buyers of your choice.**

This format guarantees the best return on investment of your time and money.

Qualified decision makers, CEOs, COOs, CIOs and CTOs coming from the government and private healthcare institutions will meet with you to learn about the latest Healthcare Technology Solutions you are recommending to help them explore the opportunities and challenges of disruptive technologies in healthcare and its real-life impact on patients' outcome and experience.

➤ **60+ Corporate Buyers** with a combined budget of over 500 Million Dollars

➤ **ONLY 10 Solution Providers** will be introduced to the buyers

HOW DOES IT WORK?

➤ **We bring the buyers** for you.

➤ **We qualify them** for you.

➤ We send you, 10 days prior to the congress, **a complete list of delegate attendees**, including their company names, job titles, solutions of interest, readiness to buy, budget, and number of nodes in organization.

➤ **You choose the corporate buyers** you want to have one-on-one meetings with during the congress.

➤ We arrange **one-on-one meetings** for you with the buyers of your choice.

These corporate buyers have all been qualified based on the following:

They are the **ultimate decision makers** in the organization when it comes to buying decisions.

They are actively **looking for partners like you** & very keen on buying healthcare technology solutions.

They have a **minimum spending budget of \$2 Million.**

TESTIMONIALS

It was one of the great events I have attended this year: lots of interaction took place whether at the one to one level or group level. Couple of panel discussions were very interesting and lot of valuable information were shared and discussed.

The private meetings with company reps were also of a great importance.

Overall, it was a successful event and I am very thrilled to have taken part of it.

Halim Ghafari - Group CNO, *Health and Medical Services (HMS)*

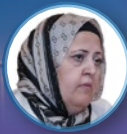

The event was well prepared and well organized.

The discussions were very fruitful and to the points with an expert team understanding the requirement of our healthcare facility for future assistance.

I really enjoyed the time I had spent in the event & I look forward to attending future editions.

Adel Alsisi - CMO, *Prime Healthcare Group*

The event was well organized, the speakers and guests were prominently identified from the healthcare industry of Dubai. The topic were wisely chosen related to improve the quality of care provided and to understand upcoming technology.

Abir Hakmi - CEO, *Armada Hospital*

It was a pleasure attending the "Healthcare Disrupters Congress" on 18th October 2022.

The meeting was well organized with good seating arrangements. The topics were very good for the meeting and so were the speakers. The panel discussion was engaging and brain storming sessions.

Lastly but not the least, the venue was great and accessible for all the participants.

Dr. Naser Ammash - Professor of Medicine - CEO, *Sheikh Shakhbout Medical City - SSMC*

It was my pleasure to attend the 6th edition Healthcare Disrupters Congress.

It was a great event, packed with so much knowledge and great speakers. It allows many attendees to talk to many different vendors face to face as well as establish a network. In short offering a compact source of inspiration.

Dr. Duaa Eid - Head of Pharmacy, *Dubai Police*

Having the opportunity to meet many iconic game changers in the healthcare industry at the Healthcare Disruptive Congress was an invaluable experience. Thank you Agora for the invitation and I would definitely like to join you again at future conferences.

Dr. Manal Al-Talal - CNO, *Procure*

I wanted to extend my heartfelt gratitude for the opportunity to participate in such a groundbreaking event. Being part of a panel comprised entirely of women trailblazers in their respective fields was truly empowering. The platform provided not only facilitated insightful discussions but also showcased the immense talent and expertise of women in AI.

The congress provided a vital platform to discuss the transformative impact of Healthcare Digital technologies. I look forward to future collaborations and opportunities.

Dr. Tamara Sunbut - Medical Director of Clinical Informatics, *Johns Hopkins Aramco Healthcare, KSA*

Thank you to the individuals who were responsible for organizing the seventh iteration of the Healthcare Disrupters Congress conference. They were able to put together a program that was both instructive and motivating. My experience at the conference left me feeling inspired to make a great difference in the field of healthcare, and the speakers were of the highest caliber. The possibilities to network were also really beneficial.

Maram Batayneh - Corporate Nursing Director, *Alinma Medical Group*

This was my first experience working with Agora. The well-organized event was an excellent opportunity to network and share insight on topics of interest to the business and wider community.

Dr. Joseph El-Khoury MD MSc FRCPsych - Consultant Psychiatrist Co-Founder & CEO, *The Valens Clinic*

The meticulous planning and organization were evident in every aspect of the 7th HDC, ensuring a smooth and flawless experience for all attendees.

The caliber of speakers was truly impressive. Their insights and expertise provided invaluable perspectives on the evolving healthcare landscape in the Kingdom.

I was particularly impressed by Agora Group's innovative approach to entering the Saudi digital health market.

Dr. Ismaeel Almakrami - Executive Vice President for eHealth, *Health Holding Company*

Attending the Healthcare Disrupters Congress was an enlightening experience, exposing me to cutting-edge technologies and groundbreaking ideas that are reshaping the healthcare industry. I found the event to be inspiring and thought-provoking, leaving me with a renewed sense of excitement and curiosity about the future of healthcare. Lastly, I would like to thank you for your hospitality and congratulate you on the great organization.

Ahmed Elnazer - Head of Neonatal Intensive Care Department, *Riyadh Hospital*

My attendance at the 7th Healthcare Disrupters Congress in Riyadh was a testament to innovation, gathering industry leaders to chart the future of healthcare in Saudi Arabia, an invaluable experience highlighting the sector's dynamic evolution.

Zakia Alhothali - Head of Data Management Office, *MOH*

The line-up of diverse speakers who brought a unique perspective, deep knowledge, and expertise to the table was extraordinary. The diversity of topics ranging from genetics to technology and leadership was impressive.

The panel discussion we had with other speakers about the growth of AI and healthcare digitalization and its regulation was so enriching and engaging.

To anyone considering attending this conference in the future, I highly recommend it.

Rola Hammoud, MD, MHA, FACHE - CEO, *Madina Hospital*
- *Fakeeh Care Group*, President, *ACHE MENA*

The 6th HDC was a resounding success, and it was a privilege to be a part of it.

Overall, it was a remarkable event, and I'm grateful to have been a part of it. I want to extend my sincere thanks to the organizers, fellow speakers, and the engaged audience for making this event a success. I look forward to the possibility of speaking at future events organized by this team.

H.E. Dr. Mariam Mohamed Fatima Matar - Founder & Chairperson, *UAE Genetic Diseases Association*

The event was a resounding success, and it is all thanks to your exceptional efforts. The quality of the speakers, the thought-provoking discussions, and the networking opportunities provided a valuable platform for knowledge exchange and innovation in the healthcare industry. It was truly a remarkable event, and I look forward to attending future conferences.

Ahmad Almugati - Chief of Health Education, *King Fahd Specialist Hospital*

The dedication to excellence was evident in every aspect of the 7th HDC, and I am truly grateful for the opportunity to have been a part of it.

The quality of the sessions and the caliber of the speakers were exceptional. Each session was thoughtfully curated, providing valuable insights and fostering meaningful discussions on critical healthcare topics.

I look forward to future collaborations with Agora Group and to attending more events organized by your team.

Amani Abulaban - CEO, *WebTeB*

It was truly an enjoyable experience to be invited to such an exceptional event organized by AgoraGroup. We had the chance to interact with experts in digitization, artificial intelligence, and capitalization. This presents new perspectives, providing us with updates on recent technologies and their implementation. Virtual hospitals are a future reality and I believe that within a few years, they will cover a broader range of sectors within the Kingdom. Thank you for such a magnificent day.

Dr. Amany Abdelaziz - Lab Director, *Saudi German Hospital* – Makkah

This conference was so essential to open a clear understanding of what humanity is facing in the coming decade.

Agora Group perfectly curated an environment where selected experts explained what to prepare for. It was a very sophisticated and extremely well-organized event.

Sam Katiela - CEO & Founder, *Mamemo Group*

It was an enriching opportunity to engage with leaders and innovators in the health industry. We delved into the latest trends and strategies that are shaping the future of healthcare, with a focus on digital health solutions and transformative technologies.

The congress highlighted the impact of disruptive innovation in driving positive change within our field.

I am looking forward to applying these insights and continuing our shared journey in driving healthcare innovation.

Omar Bitar - Nursing Director, *Dr. Mohamad Al Fagih Hospital*

I was honored to be invited as a speaker at the 7th Healthcare Disrupters Congress hosted by AgoraGroup.

I learned an immense amount from the other brilliant speakers. Attending this conference as a speaker exceeded my expectations.

Events like the Healthcare Disrupters Congress are vital to moving healthcare forward. I am already looking forward to next year's congress!

Aisha Rahim, MD, FHM, Exec Ed HBS/MIT - Medical Director, *Johns Hopkins HealthCare – USA*

One of the most amazing events in 2024. The congress provided a unique platform for healthcare professionals, policymakers, industry leaders, and academics to come together, share knowledge, and discuss the future of healthcare in the region.

Here's what impressed me the most: The top-notch speakers, the comprehensive agenda, the interactive session, and the focus on innovation.

Overall, the 7th HDC was a resounding success. I highly recommend attending this exceptional event in the future!

Dr. Mazin Gadir - Digital Health Expert & Advisor, *Healthcare Government Authorities*

It was a transformative experience, enriching my leadership journey and expanding my vision for healthcare. The congress served as a catalyst for innovation, particularly in leveraging technology for patient care. Key takeaways included the importance of fostering a culture of innovation within nursing teams and the invaluable networking opportunities.

Overall, the congress empowered me with new insights and strategies to lead my team towards excellence and innovation.

Haitham Alsakran - Director of Nursing, *Dr. Soliman Fakeeh Hospital Madinah*
