

Franka World connects

Franka World is an online platform that interconnects Franka Emika's customers, partners, developers and robots!

By bringing Pandas into the cloud, all parties can mutually benefit from each other's interaction, and gain integrated access to the products and services provided by Franka Emika and our network of qualified partners.

The benefits of Franka World

Franka World provides customers with centralized and remote management of their fleets of Franka Emika robots, and the possibility to access the store, to browse a continuously growing portfolio of accredited software and hardware extensions. Franka World also draws together an active and passionate community of professionals who will contribute to your success with integration services and support.
