

Sell Your Art Now

The Germann Auction House, located in the heart of Zurich, specializes in Modern and Contemporary Art. For over 50 years, we have successfully offered art advisory, appraisals, expertise, and art sales.

We are delighted to now accept consignments for our upcoming auctions in November, allowing us to begin promoting your artworks even before the auction catalogue is published.

Selling art at our auctions is simple:

1. Send us photographs of your artworks along with all available details via email at art@germannauktionen.ch or by post, or contact us by phone at +41 44 251 83 58.
2. Our experts will evaluate your pieces without obligation and discuss the best solution for selling your artworks.
3. Deliver your artworks to Germann Auction House, or let us arrange transportation for you.
4. Your artworks will be carefully cataloged by our art specialists and promoted in our auction catalogue, on our website, and across numerous online platforms. Each piece will be presented to a large audience during our auction exhibition.
5. During our auctions, your artworks will be sold to the highest bidder.
6. After a successful sale, you will receive a detailed statement and the proceeds from the sale.
