

YOU WANT TO CHANGE PEOPLE'S LIVES?

We at Hocoma do this every day.

With game-changing and innovative technologies that improve human movement therapy for millions of patients around the world.

Join Hocoma and become a part of the global leader to define the therapy standards of tomorrow.

PRODUCT MANAGER CONNECTED HEALTH

ARE YOU INSPIRED BY...

- living your entrepreneurial spirit and managing HocoNet, our innovative connected health product line along the full lifecycle
- developing the product vision of our new integrated cloud-based software solution and establishing it within the company
- networking with key opinion leaders, clinicians and patients and translating their needs into new revenue opportunities
- working closely with pilot customers to develop HocoNet and new modules
- developing marketing and communication concepts to successfully position our pioneering products in international markets

- working in international, cross-functional project teams of engineers, sales and marketing managers and clinical experts
- being an internal change agent to lead the transformation from a product to a service culture

WE MATCH WITH PERSONS WHO...

- are passionate about their products, have visions and the power to turn them into reality
- have a good sense of business, understand market trends, have a keen perception and easily approach technologies and therapeutic topics
- have natural leadership skills, are dedicated and convincing
- keep a clear head even under pressure
- are excited to work in an international team and enjoy traveling

YOU HAVE...

- a degree of higher education (university, technical college)
- experience in software product management, e.g. in connected health, web, app or cloud services
- excellent presentation and communication skills in English and preferably also in German
- knowledge in the medical field, physiotherapy, sports sciences, or related fields are a plus.

Leading. Innovative. Reliable. Human. Integrity. Passionate.

That is what Hocoma stands for. What do you stand for?
