

We do,
what we love.

Visual Designer

[m/w]

starting date: as of now, in Frankfurt, fulltime

savedroid creates a unique AI-fueled ecosystem of crypto saving and investing for the masses. Our mission is to help young people to save money and cryptocurrencies comfortably and safely with Germany's first intelligent savings app and to fulfill their small and big wishes almost unnoticed. We follow a passionate style and are passionate about making our product a hit.

As a Visual Designer, you will be part of the Design team where we aim to position user-centered design at the core of our app. Our goal is to create the perfect synergy between behavioural science and aesthetic product.

Your tasks

- Conceiving, designing and realising of screens
- Illustrating themes and Events
- Interdisciplinary thinking in app, digital and print
- Build and maintain a consistent design language
- Presentation of the designs and ideas to the team members
- Follow market and trend changes to stay on the edge of design

Benefits

- A salary package consisting of an attractive fixed salary, an employee stock option program and savedroid tokens
- Responsible for diversified tasks in an exciting industry with
- Team-oriented, open-minded working environment with dynamic colleagues, super team-offsites, sport & socializing events & much more
- High learning curve
- Burn-out-Protection-Dogs: Lila & Jewa
- Just check out our videos about working at savedroid and our product on YouTube

Preferred Skillset

- Degree in Visual Communication, Graphic Design, Illustration or equivalent
- 1-2 years of work experience is not a must but a plus
- Can comfortably think outside the box
- You have a refined visual language
- You are curious and you like to improve
- You're a pro in Adobe Suite (Photoshop, Illustrator, In Design, After Effects) and Sketch
- You're a team player

And this is us:

- We employ and empower the best talents and value their expertise
- We work passionately and fearlessly beyond our comfort zones to improve continuously
- We actively listen to, constructively manage, and protect our communities
- We respect and help each other and create a fun and caring environment
- We solve problems hands-on, but openly discuss topics affecting everyone
