

We do,
what we love.

Chief Product Officer [m/w]

starting date: as of now, in Frankfurt, fulltime

savedroid creates a unique AI-fueled ecosystem of crypto saving and investing for the masses. Our mission is to help young people to save money and cryptocurrencies comfortably and safely with Germany's first intelligent savings app and to fulfill their small and big wishes almost unnoticed. We follow a passionate style and are passionate about making our product a hit.

Your tasks

- Defining and managing the journey and growth of the product across all platforms will be one of your main responsibilities
- Developing a long-term strategic vision for the product development
- Improving the application, ensuring that it drives innovations, user experience and revenue growth
- Managing the day-to-day execution of all product activities to meet all the business's goals
- Ensuring effective rollout of new functions across the app
- Building and leading a product team

Benefits

- A salary package consisting of an attractive fixed salary, an employee stock option program and savedroid tokens
- Responsible for diversified tasks in an exciting industry with
- Team-oriented, open-minded working environment with dynamic colleagues, super team-offsites, sport & socializing events & much more
- Burn-out-Protection-Dogs: Lila & Jewa
- Just check out our videos about working at savedroid and our product on youtube

Preferred Skillset

- 5+ years experience in leading a team
- You are a visionary in your field, and are keen on developing an foresighted strategy whilst taking ownership at the same time.
- Apart of a hands-on work mentality, you are an experienced agile-developer
- Proven track record of developing successful products
- Deep expertise in b2c product development and a track-record of product solutions from concept to launch
- Advanced degree in business, computer science, or a similar field.

And this is us:

- We employ and empower the best talents and value their expertise
- We work passionately and fearlessly beyond our comfort zones to improve continuously
- We actively listen to, constructively manage, and protect our communities
- We respect and help each other and create a fun and caring environment
- We solve problems hands-on, but openly discuss topics affecting everyone
