

savedroid creates a unique AI-fueled ecosystem of crypto saving and investing for masses. Our mission is to help young people to save money and cryptocurrencies comfortably and safely with Germany's first intelligent saving app, and to fulfill their small and big wishes almost unnoticed. We are passionate about making our product a hit!

Sounds cool? Then join the savedroid team as

Customer Service Intern (m/w/d)

YOUR PROFILE

- ✔ You are a team player with a strong attention to the details
- ✔ You speak and write in English fluently (German skills are a plus but not a requirement)
- ✔ You are ambitious and confident, and have a self-sufficient personality
- ✔ With your motivation, empathy and ability to work independently you can handle customer requests very fast
- ✔ You have great communication and interpersonal skills
- ✔ Your field of study does not matter, what counts for us is your personality and your passion for working with the customers

YOUR RESPONSIBILITIES

- ➔ You are available to do the full-time internship for 3 months
- ➔ You will personally answer a wide range of customer inquiries
- ➔ You will need to be able to inspire people to our product
- ➔ You will work in an international working environment with modern working equipment and a very friendly multicultural team
- ➔ You will use automated or other systems in the assigned office, track cases, monitor workloads, input workload information, and/or correspondence assigned to the office

*We know love alone doesn't pay the bills,
so we pay 450€ monthly for this internship.*
