

You are goal-oriented, believe in our project and want to bring in your own style? Vision, creativity for innovative solutions and unconventional ways are the phrases that describe you? Then become a part of savedroid team!

Sounds cool? That's the way it is! – join savedroid as

Legal Intern (m/f/d) specializing in Commercial Law

YOUR PROFILE

- ✔ You are a student of (business) law or other relevant fields and have first insights into law of obligations, capital market, money laundering and/or data protection law
- ✔ You are available to do the full-time internship for 3 months
- ✔ You like to collaborate and build new, innovative business models in a startup environment
- ✔ You are fluent in German and English
- ✔ You can easily work with MS Office (Excel, PowerPoint, Word)
- ✔ You are a reliable and responsible team player

You have a strong inner motivation to constantly develop yourself and your career

YOUR RESPONSIBILITY

- ➔ Conducting research on new regulatory requirements that could impact our business model
- ➔ Supporting the cooperation with international regulatory authorities
- ➔ Co-creating our business models
- ➔ Drafting legal documents (e.g. general terms and conditions, cooperation agreements, privacy policy)
- ➔ Working directly with management, Chief Risk Officer, Chief Financial Officer, and our legal team
- ➔ Supporting contract negotiations through analysis
- ➔ Assisting in investigating fraud cases
- ➔ Making coffee and sorting files will not be one of your tasks - everyone does it!

P.S.: We know love alone doesn't pay the bills, so we pay 450€ monthly for this internship.
