

ataka.Space s.r.o.

A Project Supporting People with Lived Experience of Mental Health Challenges

UNIQUE SELLING POINTS

Founded on the personal experience of its founder

VISION

To build a stable and sustainable company that creates specialized job opportunities for people with lived experience of mental health challenges and supports their inclusion in the open labor market. ataka.Space aims to make the ataka.Medication organizer a widely available tool used by thousands of people, with an initial goal of reaching a production capacity of 10,000 units.
