

BattleLand s.r.o.

Mobile Action Park with Unique and Entertaining Activities

UNIQUE SELLING POINTS

Three original activities:

- (1) Gel Blaster Battle – the first gel blaster arena in the Czech Republic. Compared to paintball and airsoft, it is cleaner and less painful, making it suitable for children from the age of 6.
- (2) Archery Battle – the first arena of its kind in the Pilsen Region.
- (3) Water Battle – currently developing an interactive arena concept that will take chaotic water battles to a completely new level.

Mobility – the service comes directly to the client, including professional setup of the inflatable arena at the customer's chosen location.

VISION

To advance to the Extensive implementation stage. Expand the mobile arena to cover a significant part of Moravia, establish a permanent entertainment center in Pilsen, and develop an interactive water battle arena.
