

MarbleMat s.r.o.

Innovative Developer and Manufacturer of Dietary Supplements and Galenic Products.

UNIQUE SELLING POINTS

- Enhanced bioavailability of active ingredients
- Advanced galenic dosage forms (Marbles®, mini-tablets, and pellets)
- Small-particle formulations for easier administration and swallowing
- Attractive visual design with customizable colored particles
- Personalized dietary supplements tailored to individual needs
- Reduced food effect on the absorption of active ingredients
- A combination of pharmaceutical development expertise and manufacturing capabilities

VISION

To become a trusted partner in the development and manufacturing of dietary supplements, veterinary, and pharmaceutical products across the European market. The company also plans to expand its production and technological capabilities, strengthen international partnerships, and launch its own brand of dietary supplements and veterinary products.
