

YoungLink s.r.o.

Digital Sociometric Application

UNIQUE SELLING POINTS

- Rapid classroom climate assessment in minutes rather than weeks
- Early identification of potential risk situations
- Reliable decision-support tool for educators
- Ability to monitor changes over time through longitudinal data

VISION

We want every decision concerning children in schools to be based on real data about interpersonal relationships. Our goal is to equip educators and parents with tools that enable them to actively foster a positive school climate, rather than relying solely on subjective impressions.
