

Update for the Trifecta World Championship Sparta 2020 – September 11 , 2020

It is with great sadness that we have to inform you that the Spartan Trifecta World Championship 2020, scheduled from the 5th to the 8th of November, is cancelled.

Last week the **Greek Health Committee made the decision to limit all events in Greece from 5000 to 100 people daily**, including all the Staff. We at Spartan Greece, as well as all our colleagues at Spartan and the authorities in Sparta, worked tirelessly over the last few months defining new protocols and measures that would have allowed you to race safely, but sadly it was not meant to be.

You have trained and got ready for this race. As we did. You believed in it until the end. As we did. You were dreaming crossing over the Evrotas River, passing by the ancient historical sites and over the mountains, jumping the finish line welcomed by Leonidas. As we did.

But the Spartan Trifecta World Championship will roll over to next year, from the 4th to 7th of November 2021.

Your registration and merchandising purchases remain 100% valid for the next year and you are automatically transferred to the 2021 edition!
